Periods of leave may be totaled in computing the four months. Pregnancy Disability Leave is unpaid. Employees are also eligible for unpaid Family and Medical Leave Act (FMLA) leave while disabled due to pregnancy, childbirth and recovery therefrom. FMLA leave runs concurrently with Pregnancy Disability Leave.

5.6.1 Definitions

5.6.1.1 "Catastrophic illness or injury" means any illness or injury that incapacitates a unit member for an extended period of time, or that incapacitates a member of the unit member's family, which incapacity requires the unit member to take time off from work for an extended

period of time to care for that family member, and taking extended time off work creates a financial hardship for the unit member because he or she has exhausted all of his or her sick leave and other paid time off. Examples of catastrophic illness or injury include, but are not limited to: cancer, heart attacks or strokes, severe respiratory conditions, spinal injuries, emphysema, severe arthritis, severe nervous disorders, and Alzheimer's.

5.6.1.2 "Day," for the purposes of this Article, means any day a unit member is expected to be on duty as determined by the terms of this Agreement.

5.6.1.3 "Family member" shall be defined as spouse, registered domestic partner, parent, or child.

"Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis as long as the child is under eighteen (18) years of age or an adult dependent child.

"Parent" means a biological, foster, or adoptive parent, a stepparent, or a legal guardian.

5.6.1.4 "Eligible leave credits" means sick leave accrued to the donating employee.

5.6.2 Eligibility and Contributions

5.6.2.1 Unit members on active duty with the District who have a minimum of ten (10) days of accrued sick leave are eligible to contribute to the Catastrophic Leave Bank.

5.6.2.2 Participation is voluntary. Only contributors will be permitted to withdraw from the Bank.

5.6.2.3 Unit members who elect not to join the Catastrophic Leave Bank upon first becoming eligible must wait until the following year's open enrollment period to join and are not eligible to withdraw from the Bank until they are enrolled.

5.6.2.4 The contribution, on the appropriate form, shall be authorized by the unit member and continued from year to year until canceled by the unit member.

5.6.2.5 Cancellation occurs automatically whenever a unit member is unable to make his/her annual contribution.

Cancellation, on the proper form, may be effected at any time and the unit member shall not be eligible to draw from the Bank as of the effective date of the cancellation. Sick leave previously authorized for contribution to the Bank shall not be returned upon cancellation.

5.6.2.6 Contributions shall be made between July 1 and October 1 of each year. Eligible unit members returning from extended leave, which included the enrollment period, and eligible new hires are permitted to contribute within 30 calendar days of resuming or beginning work.

5.6.2.7 The rate of contribution by each participating unit member shall be limited to one (1) day of sick leave every other year. Contributions are irrevocable.

5.6.2.8 Part-time unit members may contribute and use catastrophic leave on a pro-rata basis.

5.6.3 Withdrawal from the Bank

5.6.3.1 Catastrophic Leave Bank participants whose sick leave is exhausted may withdraw from the Bank for catastrophic illness or injury.

5.6.3.2 Unit members must use all sick leave, but not differential leave, available to them before being eligible for a withdrawal from the Bank. Participants who are approved and who have exhausted all accrued sick leave are entitled to supplement their differential leave with Catastrophic Leave charged at one-half day increments.

5.6.3.3 Withdrawals from the Catastrophic Leave Bank shall be granted in units of no more than thirty (30) days. Unit members may submit requests for extensions of withdrawals as their prior grants expire. A unit member's withdrawal from the bank may not exceed the statutory maximum period of twelve consecutive months.

5.6.3.4 Unit members applying to withdraw or extend their withdrawal from the Catastrophic Leave Bank will be required to submit a doctor's statement indicating the nature of the illness or injury and the probable length of absence from work.

- 5.6.3.5 If a unit member has drawn thirty (30) Catastrophic Leave Bank days and requests an extension, the Assistant Superintendent for Human Resources may require a medical review by a physician of the District's choice at the unit member's expense. Refusal to submit to the medical review will terminate the unit member's continued withdrawal from the Bank. The Assistant Superintendent for Human Resources may deny an extension of withdrawal from the Catastrophic Leave Bank based upon the medical report.
- 5.6.3.6 Catastrophic leave credits shall not be used for illness or injury which qualify the unit member for workers' compensation benefits.
- 5.6.3.7 If the unit member may be eligible for a Disability Award or a Retirement under STRS or, if applicable, Social Security, the District may require the unit member to apply for disability or retirement. Failure of the unit member to submit a complete application, including medical information provided by the unit member's physician, within twenty (20) calendar days of the request shall disqualify the unit member from further Catastrophic Leave Bank payments. Any requests for additional medical information from STRS and Social Security shall be submitted within ten (10) days or the unit member's entitlement to Catastrophic Leave Bank payments will cease.
- 5.6.3.8 If the Catastrophic Leave Bank does not have sufficient days to fund a withdrawal request, the District is under no obligation to pay the participant any funds whatsoever. If a request for withdrawal is denied because of insufficient days to fund the request, the District shall notify the unit member, in writing, of the reason for the denial.
- 5.6.3.9 Catastrophic Leave Bank unit member participants who are denied a withdrawal or whose withdrawal is not renewed or terminated may, within ten (10) days of denial, appeal, in writing, to the Superintendent. The Superintendent shall hold a hearing within fifteen (15) days. The Superintendent shall issue a confidential written decision within fifteen (15) workdays of the hearing. If the unit member's incapacitation does not allow participation in this appeal process, the unit member's agent or member of the family may process the appeal.

- 5.6.3.10 Approval or denial of catastrophic leave requests shall be final and not subject to grievance.
- 5.6.3.11 Participants and applicants shall complete the form attached in Appendix A.
- 5.6.3.12 Unit members do not accrue sick leave while using catastrophic leave credits. 5.6.4 Administration of the Bank

5.7.3.2 Maintenance of Status. 5.7.3.3 Leave taken pursuant to the California Family Rights Act (CFRA) shall run concurrently with leave taken pursuant to the federal Family and Medical Leave Act (FMLA) except for any pregnancy disability leave. provider that the employee is able to resume work at least two (2) weeks before returning to work.

5.7.4.1 Upon granting an employee's request for Family Care and Medical Leave, the District shall reinstate the employee in the same or a comparable position when the leave ends.

5.7.4.2 An employee who takes leave has no greater right to reinstatement than if he/she had been continuously employed during the leave period. If the District reduces its workforce during the leave period, and the employee is laid off for legitimate reasons at that time, he/she is not entitled to reinstatement, provided the District has no continuing obligations under a collective bargaining agreement or otherwise.

5.7.5 Procedures

ARTICLE IX: EVALUATION

9.1 The evaluation of the District's certificated personnel should promote the professional growth and development of all parties involved in the process, a satisfactory level of staff competency and performance and assure that strong instructional strategies are being implemented in every classroom. Evaluation should be an on-going task with continual feedback to the certificated staff.

The Franklin-McKinley School District expects the evaluation of personnel to be professional in nature. Those responsible for personnel evaluation are expected to follow orderly methods of identifying strengths and deficiencies, to suggest and extend assistance for remediation of deficiencies and to maintain accurate and impartial records as outlined in the evaluation policy.

9.2 Evaluation Relationships

In the Franklin-McKinley School District, certificated evaluation is based upon a positive relationship between an evaluator and an evaluatee. The District believes that in order for a successful evaluation to result there must be mutual respect and confidence existing between evaluator and evaluatee.

All certificated personnel within the school district are to be evaluated. The evaluation process will be consistent with applicable California Education Code provisions. The evaluator of each unit member shall be an administrator designated by the District, whose identity shall be established and made known to the employee prior to the first day of instruction.

The implementation of these evaluation procedures rests with the designated administrator. While other certificated staff may be called upon to assist fellow employees, they will not be required to render evaluative judgments on an evaluatee's performance.

As a basis for evaluation, an evaluator and evaluatee will jointly agree on objectives to be used in the evaluation process. The evaluator and the evaluatee may adjust objectives because of changing conditions in the job situation.

In order to assure as much objectivity as possible, each evaluation will be supported by adequate and valid data from which judgments have been made. If the objectivity of the evaluation is questionable, the unit member may request a second evaluator through the Assistant Superintendent, Human Resources or designee.

9.3 Evaluatees Responsibilities

9.3.1 The evaluatee will become familiar with the responsibilities stated in his/her job description and with specific responsibilities related to his/her assignment to a particular school/department.

9.3.2 By the 20th school day, the evaluatee will write objectives on the Certificated Staff Objective Forms in three of the following areas as defined by the California Standards for the Teaching Profession: (or successor designation as mutually agreed to by the Association and the District). The teacher shall choose two of the standards and the site administrator shall choose one.

STANDARD 1: Engaging and Supporting All Students In Learning (One required).

STANDARD 2: Understanding and Organizing Subject Matter For Student Learning (One required).

STANDARD 3: Planning Instruction and Designing Learning Experiences for all Students (One required).

STANDARD 4: Creating and Maintaining Effective Environments For Student Learning (One required).

STANDARD 5: Assessing Student Learning (One required).

STANDARD 6: Developing As A Professional Educator (One required).

Support staff members will be expected to write a comparable total number of objectives, mutually agreeable with the evaluator and evaluatee and related to their job descriptions.

Should an evaluatee receive an “IMPROVEMENT NEEDED” within any area of the most recent evaluation, the evaluator may require the unit member to participate in the development of an action plan.

9.3.3 The evaluatee will arrive at agreement on standards of performance with evaluator. No later than the thirtieth (30th) instructional day, the evaluator and the evaluatee will meet to review the evaluatee's written objectives. If an evaluator will not accept the evaluatee's objectives, the unit member may appeal to the Assistant Superintendent, Human Resources or designee.

- 9.3.4 The evaluatee will conduct appropriate programs for meeting the objectives agreed upon with the evaluator.

When submitting objectives for District approval, evaluatees will also identify any necessary teaching materials, which are not available at the time of writing, including: a) title of material; b) vendor; c) cost; and d) availability, including alternate materials. If the District agrees that the materials are necessary to meet the objectives, but the materials are not provided, the objective(s) will be changed.

If an evaluatee determines that he/she is unable to provide an appropriate instructional program for a student, he/she shall notify the evaluator in writing. This shall include: a) name of child; b) date of first recognition of problem; c) outline of steps taken, including requested and provided support services; d) dates of parent conferencing; e) identified learning modality; f) attendance record. The evaluatee will initiate a meeting with the evaluator within ten (10) days of recognition for the purpose of establishing alternate objectives for said child.

- 9.3.5 The evaluatee will submit documentation of progress toward meeting objectives and will complete the "Assessment of Results" section of the Certificated Staff Objective Form (Appendix D)

- 9.3.6 The evaluatee will meet with the evaluator in order to review the achievement of instructional objectives and other evaluatee responsibilities.

- 9.3.7 The evaluatee will execute, to the best of his/her ability, the recommendations for improvement of his/her performance.

9.4 Evaluator Responsibilities

In the performance of his/her duties the evaluator will utilize a monitoring process which includes the following:

- 9.4.1 The evaluator will take appropriate steps early in the year to assure that each evaluatee understands the responsibilities stated in job descriptions and related to specific assignments. In this effort, special assistance will be given to new employees.

- 9.4.2 The evaluator will establish a calendar for evaluation conferences.

- 9.4.3 The evaluator will hold conferences when appropriate following observations and/or other visitations. These

observations will be recorded in writing on appropriate forms, a copy of which will be given to the evaluatee.

- 9.4.4 The evaluator will, during the conference, discuss the degree of attainment of outlined standards of performance with the evaluatee as well as the evaluatee's other responsibilities and make suggestions for improvement when necessary.

9.5 Procedures for Personnel Evaluation

- 9.5.1 Prior to the first instructional day of the school year, each evaluator will review, with his/her staff, District procedures related to personnel evaluation. At this time, he/she will discuss District requirements and forms.

- 9.5.2 The evaluator at this time will indicate that evaluation is to be a continual process which will include, the monitoring of adherence to curriculum objectives, maintenance of a suitable learning environment, instructional techniques and strategies, progress of pupils toward standards established by the District, and developing as a professional educator, all of which are defined by the California Standards for the Teaching Profession.

- 9.5.3 Monitoring will include continuing review with all certificated employees and follow-up counseling whenever the performance in any area is marked "IMPROVEMENT NEEDED" in the summative evaluation. In the latter case the evaluator has the obligation to follow the procedures listed below:

- a. The evaluator will notify the employee in writing of the performance that needs to improve.
- b. The written notice of performance, improvement needed, will be clearly and comprehensively stated.
- c. The evaluator will actually confer with the employee and make specific recommendations on improvement of his/her performance.
- d. The evaluator will offer assistance to the employee to improve his/her performance.

- 9.5.4 When a unit member receives an "unsatisfactory" in any indicator, the evaluator has the obligation to follow the following procedures:

- a. Evaluatee needs to be notified in writing of the performance that was unsatisfactory.
- b. Any unsatisfactory needs to be clearly and comprehensively defined.
- c. State measurable objectives for improvement.
- d. State the means for measuring improvement.
- e. State evaluator's role in assisting unit member, (model, demonstrate).
- f. State timeline for completion/and resources available.
- g. The evaluator will recommend that the unit member consider a self-referral to PAR.

- 9.5.5 By the thirtieth (30th) instructional day, each evaluatee and his/her evaluator will have reviewed and mutually agreed upon objectives. If mutually agreed, objectives may be modified on or before January 31st.
- 9.5.6 The objectives must be written for completion prior to the final evaluation date.
- 9.5.7 During the school year, each teaching employee to be evaluated will receive a minimum of two (2) classroom observations by the evaluator. Observations may be conducted for employees not scheduled for evaluation at the discretion of the evaluator. These observations are not to occur on the first two or last two instructional weeks of the school year, or on the two days before or after a school break period of at least five (5) instructional days. None of the time limitations set forth in this section apply to or in any manner limit when a post observation conference may be held.
- 9.5.7.1 Prior to the observation, a pre-observation conference between the evaluatee and administrator can occur, and is recommended. The pre-observation conference must occur if either party requests it.
 - 9.5.7.2 Within three (3) days of the observation, the evaluator will give evaluatee a copy of the observation form containing the descriptors that were observed in the observation.
 - 9.5.7.3 Within five (5) days of the observation, or later by mutual agreement, both parties will meet for a post-

observation conference. Both parties will complete, collaboratively, the post observation form.

- 9.5.8 Every probationary certificated staff member will be evaluated by his/her immediate supervisor in writing at least twice each school year; once, no later than the last instructional day in December, and a second time no later than March 1. Permanent employees shall be evaluated at least once every other year. Those to be evaluated will be notified by the evaluator prior to the first day of instruction. Permanent employees may be evaluated at any time during the school year if, in the opinion of the evaluator, the employee's performance merits an "IMPROVEMENT NEEDED" or "UNSATISFACTORY" rating in any area. Permanent employees to be evaluated will be evaluated at least thirty (30) days before the end of the school year. The Progress/Summary Evaluation Form will be used for all evaluations. Staff scheduled for evaluation will submit "Certificated Staff Objective Forms" (see Appendix D to this Agreement). Staff not being evaluated are encouraged to submit individual or grade/departmental objectives and are encouraged to meet with the administrator to review the employee's objectives.
- 9.5.9 When performance is unsatisfactory in three (3) out of five (5) indicators in one of the following areas; Engaging and Supporting all Students in Learning/Understanding and Organizing Subject Matter for Students Learning/Planning Instruction and Designing Learning Experiences for all Students, the evaluatee will become a referred participating teacher in the PAR Program and will be provided the evaluator's specific action plan.
- All areas marked UNSATISFACTORY must be fully explained in the "Comment" section. If the recommendation is being made for non-employment or reemployment with qualifications, the evaluator must indicate which area of the evaluation is the basis for this recommendation.
- 9.5.10 Evaluation of an evaluatee's competence will not include the use of publisher's norms established by standardized tests.
- 9.5.11 If the Evaluatee feels that the District has not followed evaluation procedures, the evaluatee may utilize the grievance procedure.

- 9.6 Job Descriptions
 - 9.6.1 Job descriptions for certificated employees are contained in the Job Description binder in each school office. Additional copies of job descriptions are available from the Human Resources Office.
- 9.7 Complaints Against Employees
 - 9.7.1 A complaint regarding a certificated staff member made to any member of the administration or Board of Education by any parent, student or other person, which does or may influence evaluation of the certificated staff member shall be discussed with the staff member.
 - 9.7.2 The following steps must be followed if a complaint becomes part of the unit member's evaluation:
 - 9.7.2.1 The complaint must be reported to the staff member by the administrator in a timely manner. If the complaint is written, a copy will be given to the employee.
 - 9.7.2.2 The staff member against whom the complaint is made may seek legal counsel or representation.
 - 9.7.2.3 The administration will make an investigation of the complaint and review its findings with the employee.
 - 9.7.2.4 In the process of the investigation of the complaint, the employee will be consulted and given the opportunity to be heard.
 - 9.7.2.5 Only a complaint, which has been verified by the District, may be placed in the employee's personnel file, in which case the employee may submit a written response to be attached to the complaint.
- 9.8 "Progress/Summary Evaluation Form" (Appendix C)
 - 9.8.1 The format of the evaluation instrument parallels that of the six (6) areas of evaluation specified in the California Standards for the Teaching Profession and should reflect the degree to which the evaluatee is fulfilling the requirements of his/her assignment. In special cases, a performance task listed on the evaluation form may not apply to the evaluatee. In those situations, the evaluator will use the term "not applicable" or "N/A". Conversely, there may be special situations in which performance tasks will be added to the form because of the nature of the certificated assignment.

The evaluator will check each of the applicable items, rating the evaluatee's performance in one (1) of three (3) categories.

9.8.2 "Competent" ratings reflect the performance of the successful evaluatee who consistently plans for and carries out required activities with considerable satisfaction.

9.8.3 When performance is less than competent, the evaluator will so indicate by checking the "IMPROVEMENT NEEDED" or "UNSATISFACTORY" column. In such cases, the evaluator is required to state clearly the nature of the deficiency and to make specific recommendations for improvement. All areas marked for improvement must be fully explained in the "Comment" section. If the recommendation is being made for non-reemployment or reemployment with qualifications, the evaluator must indicate which area(s) of the evaluation is the basis for this recommendation.

9.8.4 The evaluator and the evaluatee then sign the completed "PROGRESS/SUMMARY EVALUATION FORM". As indicated, the evaluatee has the option to append a statement to the original copies, which will be placed in the evaluatee's personnel file.

9.8.5 The completed evaluation forms are confidential documents and should be so regarded by all parties.

9.9 Evaluation Observations Forms

9.9.1 In each building/department, the form should be consistent with objectives.

The observation will be completed by using the District's: a) Pre-observation Form, (optional); b) Observation Form; c) Post Observation Form, as per 9.5.7.

9.10 Use of "Certificated Staff Objective Form" (Appendix D)

9.10.1 The objective and the action plans are used as a means to achieve desired outcomes. At the time the performance objectives are developed and agreed upon, it is necessary to also discuss and agree on the actions and the efforts to be taken to attain the objectives. The "Certificated Staff Objective Form" is prepared so that both staff member and supervisor understand what is to be done, the outcome desired and the method of measurement that will be used to determine whether the objective has been attained.

ARTICLE X: GRIEVANCES (See Article II, 2.23-2.25)

- 10.1 The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to grievances. Both parties agree that these proceedings shall be kept as informal and confidential as possible at any level of the procedure. When counting days, day one is the end of the workday following the day on which the grievance/response is submitted.
- 10.1.1 A grievant is entitled to have a representative present at any level of the grievance procedure.
- 10.1.2 If at the end of the school year or track, a grievant is unable to attend a grievance meeting, he is entitled to designate in writing a representative to act in his/her absence.
- 10.1.3 Forms for filing grievances and other related documents shall be developed jointly by the Superintendent or designee and the Association.
- 10.1.4 Grievance forms shall be available from each site office, the Human Resources Office, the Association Office, and the faculty grievance representative.
- 10.1.5 The time limits for processing grievances may be waived, extended or reduced by mutual agreement between the District and the Association when confirmed in writing.
- 10.1.6 Failure by the administration to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
- 10.1.7 Failure by the grievant to file an appeal to the next step within the time limits specified automatically denies the grievance.
- 10.1.8 By mutual written agreement, the grievance may revert to a prior level for consideration.
- 10.1.9 Upon written request, the District or the grievant shall provide pertinent information, which is relevant to the issues raised by the grievance. Information that is privileged under law, is excluded from this provision.
- 10.1.10 All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personal file of any of the participants.

- 10.1.11 When it is necessary for the grievant or his/her representative to attend a grievance meeting or hearing scheduled during the day by the administrator or the arbitrator, the representative shall, upon notification to his/her site administrator or immediate supervisor, be released without loss of pay in order to permit participation in the foregoing activities. Any unit member who is required to appear in such investigations, meetings, or hearings, as a witness shall be accorded the same right.
- 10.1.12 Any unit member may during the work day present grievances to the employer and have such grievances adjusted without the intervention of the exclusive representative as long as the adjustment is reached prior to Level III and adjustment is not inconsistent with the terms of this Agreement provided that the District shall not agree to a resolution of the grievance until the Association representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.
- 10.1.13 Grievances of a similar or like nature may be joined as a single grievance by mutual agreement of the District and the Association.
- 10.1.14 No party in interest shall take reprisals affecting employment status of any unit member, party in interest, any Association representative, or any other participant in the procedure by reason of such participation.

10.2 Procedures

10.2.1 Informal Level

Before filing a formal written grievance, the grievant shall attempt to resolve the problem by an informal conference with the immediate supervisor.

10.2.2 Formal Level

10.2.2.1 Step I

- a. Within fifteen (15) days after the grievant knew, or by reasonable diligence could have known, of the occurrence of an act or omission giving rise to the occurrence, the grievant must present the grievance to the immediate supervisor in writing on the appropriate form.

- b. This statement shall be a clear, concise statement of the grievance, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought.
- c. Upon the request of the grievant, there shall be a conference between the supervisor and the grievant within five (5) days. The supervisor shall communicate his/her decision to the grievant in writing within twelve (12) days after receiving the grievance. A copy will be provided simultaneously to each of the two (2) Association representatives designated by FMEA for this purpose.

10.2.2.2 Step II

- a. In the event the grievant is not satisfied with the decision rendered at Step I, he may appeal the grievance to the Superintendent or designated representative within twelve (12) days of receipt of the written decision from Step I.
- b. This appeal should include a copy of the original grievance, the decision rendered at Step I and a statement of the reasons for the appeal.
- c. The Superintendent or designee shall communicate his/her decision in writing to the grievant within twelve (12) days after receiving the appeal. A copy will be provided simultaneously to each of the two (2) Association representatives designated by FMEA for this purpose.
- d. Either the grievant or the Superintendent or his/her designee may request a personal conference within the above time limits.

10.2.3 Arbitration

10.2.3.1 Step III

If the grievant is not satisfied with the disposition of the grievance at Step II, the Association may within twelve (12) days submit the grievance to arbitration and shall notify the Superintendent in writing.

- a. The Association and the District shall attempt to agree upon an arbitrator. If no agreement can be reached, the parties shall request the State Mediation and Conciliation Service or the American Arbitration Association to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one (1) name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by coin toss.
- b. The fees and expenses of the arbitrator shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript and court reporter. If both parties request a transcript, the total cost of the two transcripts and court reporter shall be divided equally between the District and the grievant.
- c. Once the arbitrator has been selected, the hearing shall be scheduled as mutually agreed upon by the parties and the arbitrator. Hearings shall be confined to working days.
- d. The arbitrator shall conduct the hearing in accordance with the voluntary arbitration rules of the American Arbitration Association and the provisions of this procedure.
- e. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
- f. Neither the District nor the grievant shall be permitted to assert any grounds or evidence before the arbitrator, which was not previously disclosed to the other party. The arbitrator shall consider only those issues, which have been carried through prior steps as required by the provisions of the procedure.
- g. The arbitrator shall have no power to add to, subtract from or modify the terms of this Agreement.

- h. The arbitrator's decision shall be in writing and shall set forth the arbitrator's findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without the power or authority to make any decision, which requires the commission of an act, prohibited by law or which is violative of the Agreement. However, it is agreed that the arbitrator is empowered to include in any award such financial reimbursement or other remedies which the arbitrator judges to be proper. The award of the arbitrator shall be final and binding on the parties, and a copy shall be submitted to the Superintendent, the grievant, and the Association.

- i. The District may request the arbitrator to rule on the arbitrability of a grievance by submitting a written request to the arbitrator no later than sixty (60) days prior to the scheduled date of the arbitration hearing. A copy shall be sent to the Association simultaneously. The Association shall have an opportunity to respond in writing to the District's request within fifteen (15) days of service of the District's request. The arbitrator shall have the discretion to rule on the arbitrability of the grievance either before the hearing commences or at the conclusion of the hearing. If the arbitrator rules on the arbitrability of the grievance before the hearing commences, he/she shall issue his/her ruling no later than thirty (30) days prior to the date of the scheduled hearing.

ARTICLE XI: SUMMER SCHOOL

- 11.1 In the event the District provides a summer school program, the District shall give preference to regularly employed teachers who are qualified for available summer school positions and who have notified the Assistant Superintendent for Human Resources of their desire to teach.
- 11.2 Location of summer school and invitation to apply for positions shall be posted in every school no later than April 1. Interested teachers will return the completed application to the district no later than May 1.
- 11.3 Written notice of assignment and location shall be included with each offer of employment.
- 11.4 Offers of employment for summer school assignments shall be made commencing no later than the last work day in May. Offers of employment for intersession shall be made on the sixth (6th) day after posting.
- 11.5 First priority shall be provided to summer school classes for remediation in core subject areas.
- 11.6 A summer school offer of employment shall be null and void if anticipated student registration does not materialize and/or class enrollments fail to meet the District standards. No offer of employment shall be canceled after the tenth (10th) day of summer school instruction.
- 11.7 The summer school rates of pay shall be as provided in Appendix J, and shall apply to all time that teachers are required to be on campus.
- 11.8 Student lunch periods shall be utilized by teachers for self-directed collaboration activities. Teachers shall not be assigned any duty during the student lunchtime, breaks or recesses, except in the case of an emergency as defined in section 2.12 of this Agreement.
- 11.9 When implementing hourly programs, the summer school compensation and staff development time shall be uniform throughout the district. When “prep time” is designated as a component of a program it shall be uniform throughout the District. This shall not preclude sites from offering additional hours (to be compensated per section 11.7) to their hourly programs based on the receipt of the revenue other than the state funded summer school programs.
- 11.10 Except for this article as outlined above and the Grievance Procedure, no other articles or provisions in this Agreement shall apply to summer school personnel.

ARTICLE XII: ORGANIZATIONAL SECURITY

12.1 Any unit member who is a member of the Franklin-McKinley Education Association/California Teachers' Association/National Education Association, or has applied for membership, may sign and deliver to the District an assignment authorizing deduction of unified membership dues, initiation fees, and general assessments in the Association. Pursuant to such authorization, the District shall deduct one tenth (1/10th) of such dues from the regular salary check of the unit member each month for ten (10) months. Deductions for unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year.

12.2 Any unit member who is a member of the Franklin-McKinley Education Association/CTA/NEA, on June 1, 1988 or who is hired after June 1, 1988, shall, within thirty (30) days from the date of commencement of assigned duties within the bargaining unit, become a member of the Association or pay to the Association an agency fee payable to the Association in one (1) lump sum cash payment provided; however, the unit member may authorize payroll deduction for such fee in the same manner as provided in Section 12.1 of this Article. In the event that a unit member does not pay such a fee directly to the Association or authorize payment through payroll deduction as provided in Section 12.1, the Association shall so inform the District, and the District shall immediately begin automatic payroll deduction as provided in Education Code section 45061 and in the same manner as set forth in Section 12.1 of this Article. There shall be no charge to the Association for such deductions.

12.2.1 Except as provided by this article, the District and Association recognize the right of unit members to form, join, and participate in the activities of an employee organization and the equal alternative right of employees to refuse to form, join, or participate in employee organization activities.

12.3 Any unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support the Franklin-McKinley Education Association/CTA/NEA as a condition of employment; except that such unit member shall pay, in lieu of an agency fee, sums equal to such agency fee to a non-religious, non-labor organization, or charitable fund exempt from taxation under Section 501 (C)(3) of Title 26 of the

Internal Revenue Code. Such payment shall be made before October 30 or through the payroll deduction system. The charitable organization(s) shall be mutually agreed to between the member and the Association.

- 12.4 Proof of payment and a written statement of objection along with verifiable evidence of membership in a religious body whose traditional tenets or teachings object to joining or financially supporting employee organizations, pursuant to Section 12.3 above, shall be made on an annual basis to the Association and District as a condition of continued exemption from the provisions of Sections 12.1 and 12.2 above. Proof of payment shall be in the form of payroll deduction verification, receipts and/or canceled checks indicating the amount paid, date of payment, and to whom payment in lieu of the service fee has been made.
- 12.5 With respect to all sums deducted by the District pursuant to Sections 12.1 and 12.2 above, whether for membership dues or agency fee, the District agrees to remit promptly such monies to the Association accompanied by an alphabetical list of unit members for whom such deductions are being made.
- 12.6 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.
- 12.7 The Association shall indemnify and hold the District harmless from any and all claims, demands or suits, or other action arising from the organizational security provisions contained herein, including reasonable attorney fees and costs. The Association as the indemnitor shall have the exclusive right to decide and determine which matters shall or shall not be compromised, resisted, defended, tried or appealed.

ARTICLE XIII: NEGOTIATION PROCEDURES

The Board and the Association shall then proceed pursuant to the PERB rules and regulations implementing Government Code section 3547. Following the Board's adoption of its initial proposals at a public meeting, the parties shall meet and negotiate regarding matters within the scope of representation.

13.5.2 Whenever representatives of the Association are mutually scheduled by the parties to participate during working hours in negotiating sessions, they shall suffer no loss in compensation for such time-spent meeting and negotiating with District representatives.

13.6 Reports

13.6.1 Both parties shall make available to each other, upon reasonable, written request, a copy of documents pertinent to the issues under negotiation, not otherwise privileged by law.

13.7 Tentative Agreements

Unless the parties agree to the contrary, when tentative agreement has been reached on an item, it shall be reduced to writing and initialed by the parties prior to adjournment of the session. All items remain tentative until both parties approve the entire agreement.

13.8 Final Approval

When the final agreement has been reached on all items, the parties shall have the total agreement ratified by the District and the membership of the Association.

13.9 Distribution of Agreement

Within one (1) month of ratification of the Agreement by both parties, the employer agrees to print sufficient copies of the Agreement for distribution to all unit members.

ARTICLE XIV: ASSOCIATION RIGHTS

14.1 Right to Represent

The Association shall have the right to represent unit members in employment relations with the District.

14.2 Legal Rights

14.3 Rights of Access, Communication and Use of Facilities

The Association shall have the right of access at reasonable times to areas in which employees work, the right to use bulletin boards, mail boxes, and other means of communication, subject to regulations and the right to use District facilities at reasonable times for the purposes of meetings concerned with the exercise of rights guaranteed in the Agreement.

14.3.1 Access

Persons not members of the school staff who wish to come on the school site for Association matters during the school day shall notify the site administrator. Such visits shall be scheduled so as not to cause interruption to the school program or unit member's responsibilities.

14.3.2 Communication

The Association shall be entitled to post notices of Association concern on a staff bulletin board in each school complex. The Association shall be entitled to the use of regular inter-school delivery services and mailboxes for communication to employees regarding matters which involve the Association, and they shall be dated and identified as to their origin. An Association representative shall be responsible for intra-school distribution of said communications, and the District for such communication shall impose no cost. A copy of general distribution Association material shall be sent to the Superintendent and each site administrator.

14.3.3 Use of Facilities

The Association may use school facilities for meetings either before or following unit members' workday, subject to prior approval by the principal. Approval shall be granted when such use meets the following criteria:

1. Intended use does not extend beyond the time the school is usually open;
2. Use of such facilities does not conflict with previously scheduled use of such facilities or when the buildings are available for use;
3. The use does not require additional expense for custodial and/or other services;
4. A unit member has been identified as the responsible party;
5. One (1) day's prior notice has been given.

14.3.3.1 Meetings, which are scheduled to go beyond the time when school is open, must comply with the requirements applicable to all recognized organizations.

14.3.3.3 The Association shall indicate names of unit members authorized to accept Association responsibility for such use of facilities.

14.4 Board Agendas

The District shall provide to the Association two (2) copies of the Board agenda and unapproved minutes of prior Board meetings in advance of each Board meeting.

14.5 Mondays, following the workday, are reserved for Association activity. No required District or school site functions shall be scheduled on Mondays.

14.5.1 Members of FMEA's Board of Directors and Representative Council shall be released on Monday meeting days after students have been dismissed for the instructional day. Such time shall be made up at a time(s) mutually agreed between the unit member and the site administrator. (See Appendix F)

14.6 Employee Names

The District shall provide the Association with names and assignments of all bargaining unit personnel no later than July 30 of each school year and all bargaining unit personnel employed after September 30 of each year within thirty (30) days of employment.

ARTICLE XV: MANAGEMENT RIGHTS

15.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law.

15.1.1 Included in, but not limited to, those duties and powers are the exclusive rights to: determine its organization; direct the work of its employees; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and take action on any matter in the event of an emergency. The Board retains the right to hire, classify, assign, evaluate, transfer, promote, and terminate unit members. In addition, the Board retains the right to discipline unit members consistent with the provisions of the California Education Code.

15.1.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with the law.

15.1.3 The District retains its right to amend, modify or rescind policies and practices referred to in this Agreement in cases of emergency.

15.1.4 "Emergency" as used in this section refers to conflagrations; earthquake; flood; pestilence; plague; war; famine; civil unrest; national or state proclaimed days of mourning; observances or holidays; or other occurrences which interrupt normal operation of the schools and over which the Governing Board has no control.

15.1.5 Tuesdays are reserved for District activity. No Association functions shall be scheduled on this day. The Association shall not hold any local school meetings on Tuesday until the end of the work day as specified by each on-site administrator; however, if the Association meeting shall conflict with a school or District activity, no Association meeting shall be held on Tuesday.

ARTICLE XVI: NO STRIKE, NO LOCKOUT

16.1 The Franklin-McKinley Education Association and the District agree that differences between the parties hereto shall be settled by peaceful means as provided in this Agreement. During the term of this Agreement, the Franklin-McKinley Education Association, in consideration of the terms and conditions of this Agreement, shall not engage in, instigate, or condone any strike, work stoppage or any concerted refusal to perform work duties as required in this Agreement, and shall undertake to exert its best efforts to discourage any such acts by any employees in the bargaining unit. During the term of this Agreement, the District, in consideration of the terms and conditions of this Agreement, shall not authorize or permit any lockout of Franklin-McKinley Education Association members or other persons covered by this Agreement.

ARTICLE XVII: EFFECT OF AGREEMENT

17.1 Support of Agreement

The District and the Association agree that it is to their mutual benefit to encourage the resolution of differences through the meet and negotiation process. Therefore, it is agreed that the Association shall support this Agreement for its terms and shall not seek change or improvement in any matter subject to the meet and negotiation process except by mutual agreement of the District and the Association.

- 17.1.1 A pilot program may deviate from the provisions of the Agreement on an annual basis with the approval of the Board of Education, FMEA, and all unit members directly involved.

17.2 Complete Understanding

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over State laws to the extent permitted by State law and that, in the absence of specific provisions in this Agreement, such practices and procedures are discretionary.

17.3 Completion of Agreement

During the term of this Agreement, except when negotiating a successor agreement, the Association expressly waives and relinquishes the right to meet and negotiate. The Association agrees that the District shall not be obligated to meet and negotiate with respect to any subject or matter whether or not referred to or covered in this Agreement. This is true even though each subject or matter may not have been within the knowledge or contemplation of either or both the District or the Association at the time they met and negotiated on and executed this Agreement, and even though such subjects or matters were proposed and later withdrawn.

17.4 Individual Contracts

Any individual contract between the District and an individual member shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this contract, during its duration, shall be controlling.

17.5 Savings

- 17.5.1 If any provisions of the Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions shall not be deemed valid and subsisting except to the extent

permitted by law, but all other provisions shall continue in full force and effect.

17.5.2 Should a provision or application be deemed invalid, the parties shall meet not later than ten (10) days after such court decision to renegotiate the provision or provisions affected.

17.6 Miscellaneous

17.6.1 The Association agrees that it shall not take any reprisals against any management employee or Board member regarding the administration of this Agreement, or any grievance filed hereunder.

17.6.2 There shall be two (2) signed copies of the final Agreement for record-keeping purposes. One (1) shall be retained by the District and one (1) by the Association.

ARTICLE XVIII: TEACHER RIGHTS

18.1 Personal and Academic Freedom

18.1.1 Academic freedom shall be guaranteed to staff members in the study, investigation, representation and interpretation of facts or ideas concerning mankind, human society, the physical and biological world, and other branches of learning subject to accepted standards of professional responsibility with due regard to maturity level of the student, community expectations, District rules and policies, and the laws of the State of California.

18.1.2 This District recognizes that the personal life of a staff member is not an appropriate concern of the District, except as it may affect work performance.

18.2 Sexual Harassment/Harassment

A unit member who alleges sexual harassment/harassment shall follow procedures in District Policy 4119.11 (see Appendix E)

18.3 The District shall establish and regularly update a webpage on the District's website, which shall provide employment-related information including certificated and classified vacancies.

18.4 Participation in Teacher Training

Unit members who wish to participate in teacher training opportunities shall be released, at no loss in pay and benefits, to attend such opportunities upon written approval of the site administrator and the administrator covering the cost of the substitute and other costs related to attendance at these training opportunities. Such approval shall be submitted on a form developed by the Human Resources Office. A copy is to be returned by the unit member, a copy to be returned to site and the site administrator to forward a copy to the Human Resources Office.

18.4.1 Unit members who are not assigned to work on a given day(s) and are requested to attend training opportunities shall have the option to attend and to receive professional growth (or, if offered, college credit) or be paid at the rate as specified in Section 3.3 for attendance at such workshops. If the unit member chooses the college credit option then he/she shall pay the expense for tuition.

18.4.2 Consideration shall be given by the site administrator to a unit member's request to be excused from participation in a staff development offering if he/she has attended an equivalent

session in the past.

18.5 Before a class is split, the principal shall consider utilizing the following available personnel:

Principal
Vice Principal
Project Specialist
Curriculum Support Specialist
Credentialed non-classroom assigned personnel

(The above list of personnel is not in any order of priority.)

When classes are split between two (2) or more unit members, because all of the above-referenced personnel are not available, said unit members shall receive the rate specified in Section 3.3 on a pro rata basis.

ARTICLE XIX: SITE-BASED DECISION MAKING

19.1 Site-based decision making is a joint planning and problem solving process that seeks to improve the quality of working life and education.

At this time, the District does not have a formal site-based decision making process implemented. All parties need a more clearly defined model of site-based decision making.

Therefore, by July 15, 1999, a joint committee shall be formed, composed-of four (4) District designated members and four (4) FMEA designated members with joint chairpersons. The committee shall meet over the next school year to explore the concept of site-based decision making. A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r), inclusive:

(a) (1) Caused, attempted to cause, or threatened to cause physical injury to another person.

(2) Willfully used force or violence upon the person of another, except in self-defense.

(b) Possessed, sold, or otherwise furnished a firearm, knife, explosive, or other dangerous object, unless, in the case of possession of an object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred in by the principal or the designee of the principal.

(c) Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind.

(d) Unlawfully offered, arranged, or negotiated to sell a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind, and either sold, delivered, or otherwise furnished to a person another liquid, substance, or material and represented the liquid, substance, or material as a controlled substance, alcoholic beverage, or intoxicant.

(e) Committed or attempted to commit robbery or extortion.

(f) Caused or attempted to cause damage to school property or private property.

(g) Stolen or attempted to steal school property or private property.

(h) Possessed or used tobacco, or products containing tobacco or nicotine products, including, but not limited to, cigarettes, cigars, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, and betel. However, this section does not prohibit use or possession by a pupil of his or her own prescription products.

(i) Committed an obscene act or engaged in habitual profanity or vulgarity.

(j) Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell drug paraphernalia, as defined in Section 11014.5 of the Health and Safety Code.

(k) Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.

- (l) Knowingly received stolen school property or private property.
- (m) Possessed an imitation firearm. As used in this section, “imitation firearm” means a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.
- (n) Committed or attempted to commit a sexual assault as defined in Section 261, 266c, 286, 288, 288a, or 289 of the Penal Code or committed a sexual battery as defined in Section 243.4 of the Penal Code.
- (o) Harassed, threatened, or intimidated a pupil who is a complaining witness or a witness in a school disciplinary proceeding for the purpose of either preventing that pupil from being a witness or retaliating against that pupil for being a witness, or both.
- (p) Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
- (q) Engaged in, or attempted to engage in, hazing. For purposes of this subdivision, “hazing” means a method of initiation or preinitiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. For purposes of this subdivision, “hazing” does not include athletic events or school-sanctioned events.
- (r) Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined in subdivisions (f) and (g) of Section 32261, directed specifically toward a pupil or school personnel.
- (s) A pupil shall not be suspended or expelled for any of the acts enumerated in this section, unless that act is related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the school district or principal or occurring within any other school district. A pupil may be suspended or expelled for acts that are enumerated in this section and related to school activity or attendance that occur at any time, including, but not limited to, any of the following:
- (1) While on school grounds.

(u) As used in this section, “school property” includes, but is not limited to, electronic files and databases.

(v) A superintendent of the school district or principal may use his or her discretion to provide alternatives to suspension or expulsion, including, but not limited to, counseling and an anger management program, for a pupil subject to discipline under this section.

(w) It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities

California Education Code - §48910

(a) A teacher may suspend any pupil from class, for any of the acts enumerated in Section 48900 , for the day of the suspension and the day following. The teacher shall immediately report the suspension to the principal of the school and send the pupil to the principal or the designee of the principal for appropriate action. If that action requires the continued presence of the pupil at the schoolsite, the pupil shall be under appropriate supervision, as defined in policies and related regulations adopted by the governing board of the school district. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. If practicable, a school counselor or a school psychologist may attend the conference. A school administrator shall attend the conference if the teacher or the parent or guardian so requests. The pupil shall not be returned to the class from which he or she was suspended, during the period of the suspension, without the concurrence of the teacher of the class and the principal.

(b) A pupil suspended from a class shall not be placed in another regular class during the period of suspension. However, if the pupil is assigned to more than one class per day this subdivision shall apply only to other regular classes scheduled at the same time as the class from which the pupil was suspended.

(c) A teacher may also refer a pupil, for any of the acts enumerated in Section 48900 , to the principal or the designee of the principal for consideration of a suspension from the school.

California Education Code - §49079

(a) A school district shall inform the teacher of each pupil who has engaged in, or is reasonably suspected to have engaged in, any of the acts described in any of the subdivisions, except subdivision (h), of Section 48900 or in Section 48900.2 , 48900.3 , 48900.4 , or 48900.7 that the pupil engaged in, or is reasonably suspected to have engaged in, those acts. The district shall provide the information to the teacher based upon any records that the district maintains in its ordinary course of business, or receives from a law enforcement agency, regarding a pupil described in this section.

(b) A school district, or school district officer or employee, is not civilly or criminally liable for providing information under this section unless it is proven that the information was false and that the district or district officer or employee knew or should have known that the information was false, or the information was provided with a reckless disregard for its truth or falsity.

(c) An officer or employee of a school district who knowingly fails to provide information about a pupil who has engaged in, or who is reasonably suspected to have engaged in, the acts referred to in subdivision (a) is guilty of a misdemeanor, which is punishable by confinement in the county jail for a period not to exceed six months, or by a fine not to exceed one thousand dollars (\$1,000), or both.

(d) For the 1994-95 school year, the information provided shall be from the previous two school years. For the 1996-97 school year and each school year thereafter, the information provided shall be from the previous three school years.

(e) Any information received by a teacher pursuant to this section shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher.

APPENDIX - J

California Education Code - §44977.5

(a)(1) Notwithstanding any other law, during each school year, a person employed in a position requiring certification qualifications may use his or her sick leave for purposes of parental leave for a period of up to 12 workweeks.

(2) In school districts that use the differential pay system described in Section 44977 , when a person employed in a position requiring certification qualifications has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties on account of parental leave pursuant to Section 12945.2 of the Government Code , the amount deducted from the salary due him or her for any of the remaining portion of the 12-workweek period in which the absence occurs shall not exceed the sum that is actually paid a substitute employee employed to fill his or her position during his or her absence or, if no substitute employee was employed, the amount that would have been paid to a substitute had he or she been employed. The school district shall make every reasonable effort to secure the services of a substitute employee.

(3) In school districts that use the differential pay system described in Section 44983 , when a person employed in a position requiring certification qualifications has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties on account of parental leave pursuant to Section 12945.2 of the Government Code , the person shall be compensated at no less than 50 percent of his or her regular salary for the remaining portion of the 12-workweek period of parental leave.

(b) For purposes of subdivision (a), all of the following apply:

(1) The 12-workweek period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of parental leave.

(2) A person employed in a position requiring certification qualifications shall not be provided more than one 12-week period for parental leave during any 12-month period.

(3) Parental leave taken pursuant to this section shall run concurrently with parental leave taken pursuant to Section 12945.2 of the Government Code . The aggregate amount of parental leave taken pursuant to this section and Section 12945.2 of the Government Code shall not exceed 12 workweeks in a 12-month period.

(c) This section shall be applicable whether or not the absence from duty is by reason of a leave of absence granted by the governing board of the employing school district.

(d) Notwithstanding subdivision (a) of Section 12945.2 of the Government Code , a person employed in a position requiring certification qualifications is not required to have 1,250 hours of service with the employer during the previous 12-month period in order to take parental leave pursuant to this section.

(e) Nothing in this section shall be construed to diminish the obligation of a public school employer to comply with any collective bargaining agreement entered into by a public school employer and an exclusive bargaining representative pursuant to Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code that provides greater parental leave rights to employees than the rights established under this section.

(f) For purposes of this section, “* * * parental leave” means leave for reason of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee.

APPENDIX - K

California Education Code - §44978.2

(a)(1) In addition to any other entitlement for leave of absence for illness or injury with pay, a certificated employee hired on or after, or employed on or after, January 1, 2017, who is a former active duty member of the Armed Forces of the United States or a former or current member of the California National Guard or a federal reserve component, with a service-connected disability rated at 30 percent or more by the United States Department of Veterans Affairs, shall be entitled to leave of absence for illness or injury with pay of up to 10 days for the purpose of undergoing medical treatment, including mental health treatment, for his or her service-connected disability.

(2) Credit for leave of absence for illness or injury granted under this subdivision shall be credited to a qualifying certificated employee on the effective date of the employee's disability rating decision from the United States Department of Veterans Affairs, or on the first day the qualifying certificated employee begins, or returns to, employment after active duty, whichever is later, and shall remain available for use for the following 12 months of employment.

(3) Notwithstanding paragraph (2), credit for leave of absence for illness or injury granted under this subdivision shall be credited to a certificated employee on the date the employee receives confirmation of submission of his or her disability application to the United States Department of Veterans Affairs. When the certificated employee receives his or her disability rating decision from the United States Department of Veterans Affairs, the employee shall report that information to the employer. If the certificated employee's disability rating decision makes the employee ineligible pursuant to paragraph (1), the employer may change the leave of absence for illness or injury time used before the disability rating decision to an alternative leave balance. If the certificated employee's disability rating decision makes the employee eligible pursuant to paragraph (1), the employee shall be entitled to 10 days for the purpose of undergoing medical treatment, including mental health treatment, for his or her service-connected disability minus the time used before the disability rating decision, for the 12-month period beginning with the confirmation of submission of his or her disability application.

(4) Leave of absence for illness or injury credited pursuant to this subdivision that is not used during the 12-month period shall not be carried over and shall be forfeited.

(5) Submission of satisfactory proof that a leave of absence for illness or injury granted under this subdivision is used for treatment of a service-connected disability may be required pursuant to rules adopted by the governing board of a school district.

(b) A certificated employee, as described in subdivision (a), employed less than 5 days per week, shall be entitled to that proportion of 10 days' leave of absence for illness or injury granted pursuant to subdivision (a) as the number of days he or she is employed per week bears to 5.

(c) Nothing in this section shall be construed to diminish the obligation of a public school employer to comply with any collective bargaining agreement entered into by a public school employer and an exclusive bargaining representative pursuant to Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code that provides greater leave of absence rights to employees than the rights established under this section.
